

## **Eye Com 7000**

**(Dual Lens & Tab Carrier Standard)**

The 7000 is ideal for users of dual page microfiche (automotive, motorcycle, marine, diesel, small engine and lawn and garden fiche) where two full Source Document pages must be viewed side-by-side for cross-reference.

This dual lens unit comes complete with two lenses and optional interchangeable lenses to suit all standard dual page fiche formats. Features include an energy-saving dual intensity light switch and optional rollfilm for 16mm and 35mm rollfilm.
